RE: Sargese, Michael Patrick
Dkt. No. 06-00121-001
Notice of Non-Compliance, Request for Judicial
Reprimand

Dear Judge Chesler:

On January 7, 2008, Your Honor sentenced Michael Patrick Sargese to five years probation (with the benefit of a 5K1.1 motion) and a \$100 special assessment for the offense of Conspiracy to Distribute Oxycodone. Special conditions included twelve months community confinement, drug testing/treatment and the collection of DNA.

In correspondence dated February 13, 2008, the Probation Office notified Your Honor that Sargese submitted a urinalysis that tested positive for oxycodone. On February 19, 2008, Your Honor directed the Probation Office to submit a request for a summons. Shortly thereafter, on February 29, 2008, Sargese was admitted to Toler House in Newark, New Jersey, where he began serving the community confinement portion of his sentence. On March 28, 2008, Sargese was discharged from the facility for testing positive for oxymorphone.

At a violation hearing held on April 17, 2008, Sargese pled guilty to drug use and failing to complete community confinement. He was sentenced to four months imprisonment and three years supervised release; special conditions include drug testing/treatment and the collection of DNA (completed 06/04/08). Sargese has been supervised since his release from custody on September 19, 2008.

The purpose of this letter is to report Sargese's non-compliance with the conditions of his supervision. Specifically, since the commencement of supervision, Sargese has failed to report to North East Life Skills, in Passaic, New Jersey, for random drug testing on three occasions (October 6, 2008, November 17, 2008, and November 24, 2008). In addition, he has failed to participate in Narcotics Anonymous meetings as directed.

The undersigned can be contacted at (973) 357-4090.

Very truly yours,
